Every transaction shall be reported even though purchases and sales during the month are equal or the change involves only the nature of ownership; for example, from direct to indirect ownership. Beneficial ownership at the end of the month of all classes of securities required to be reported shall be shown even though there has been no change during the month in the ownership of securities of one or more classes.

7. TITLE OF SECURITY.

A statement may include any additional information or explanation deemed relevant by the person filing the statement.

13. SIGNATURE.

If the statement is filed for a corporation, partnership, trust, etc., the name of the organization shall appear over the signature of the officer or other person authorized to sign the statement. (f) "Class" means all securities of an insurer which are of substantially similar character and the holders of which enjoy substantially similar rights and privileges.

§ 2. Transactions exempted from the operation of section 2 of the act

The statement on Form B shall be filed within ten (10) days after the end of the month in which the reported change in beneficial ownership occurs.

§1-2. Ownership of more than 10 per cent of an equity security

(a) In determining for the purpose of Section 1 of the Act whether a person is the beneficial owner, directly or indirectly, of more than 10 per cent of any class of any equity security, such class shall be deemed to consist of the total amount of such class outstanding, exclusive of any securities of such class held by or for the account of the insurer or a subsidiary of the insurer; except that for the purpose of determining percentage ownership of voting trust certificates or certificates of deposit for equity securities, the class of voting trust certificates or certificates of deposit shall be deemed to consist of the amount of voting trust certificates or certificates of deposit issuable with respect to the total amount of outstanding equity securities of the class which may be deposited under the voting trust agreement or deposit agreement in question, whether or not all of such outstanding securities have been so deposited. For the purpose of this section, a person acting in good faith may rely on the information contained in the latest Convention Form Statement filed with the Commissioner with respect to the amount of securities of a class outstanding or, in the case of voting trust certificates or certificates of deposit, the amount thereof issuable.

(b) In determining for the purpose of Section 1 of the Act whether a person is the beneficial owner, directly or indirectly, of more than 10 per cent of any class of equity securities, such person shall be deemed to be the beneficial owner of securities of such class which such person has the right to acquire through the exercise of presently exercisable options, warrants or rights or through the conversion of presently convertible securities. The

securities subject to such options, warrants, rights or conversion privileges held by a person shall be deemed to be outstanding for the purpose of computing, in accordance with paragraph (a), the percentage of outstanding securities of the class owned by such person but shall not be deemed outstanding for the purpose of computing the percentage of the class owned by any other person. This paragraph shall not be construed to relieve any person of any duty to comply with Section 1 of the Act with respect to any equity securities consisting of options, warrants, rights or convertible securities which are otherwise subject as a class to that section of the Act.

§ 1-3. Disclaimer of beneficial ownership

Any person filing a statement may expressly declare therein that the filing of such statement shall not be construed as an admission that such person is, for the purpose of the Act, the beneficial owner of any equity securities covered by the statement.

§ 1-4. Exemptions from sections 1 and 2 of the act

(a) During the period of 12 months following their appointment and qualification, securities held by the following persons shall be exempt from Sections 1 and 2 of the Act:

(1) Executors or administrators of the estate of a decedent;

(2) Guardians or committees for an incompetent; and

(3) Receivers, trustees in bankruptcy, assignees for the benefit of creditors, conservators, liquidating agents, and other similar persons duly authorized by law to administer the estate or assets of other persons.

(b) After the 12-month period following their appointment or qualification the foregoing persons shall be required to file reports with respect to the securities held by the estates which they administer under Section 1 of the Act and shall be liable for profits realized from trading in such securities pursuant to Section 2 of the Act only when the estate being administered is a beneficial owner of more than 10 per cent of any class of equity security of an insurer subject to the Act.

(c) Securities reacquired by or for the account of an insurer and held by it for its account shall be exempt from Sections 1 and 2 during the time they are held by the insurer.

§ 1-5. Exemption from the act of securities purchased or sold by odd-lot dealers

Securities purchased or sold by an odd-lot dealer (1) in odd lots so far as reasonably necessary to carry on odd-lot transactions or (2) in round lots to offset odd-lot transactions previously or simultaneously executed or reasonably anticipated in the usual course of business, shall be exempt from the provisions of the Act with respect to participation by such odd-lot dealer in such transactions.

§ 1-6. Certain transactions subject to section 1 of the act

The acquisition or disposition of any transferable option, put, call, spread or straddle shall be deemed such a change in the beneficial ownership of the security to which such privilege relates as to require the filing of a statement reflecting the acquisition or disposition of such privilege. Nothing in this section, however, shall exempt any person from filing the statements required upon the exercise of such option, put, call, spread or straddle.

§ 1-7. Ownership of securities held in trust

(a) Beneficial ownership of a security for the purpose of Section 1 shall include:

(1) the ownership of securities as a trustee where either the trustee or members of his immediate family have a vested interest in the income or corpus of the trust,

(2) the ownership of a vested beneficial interest in a trust, and

(3) the ownership of securities as a settlor of a trust in which the settlor has the power to revoke the trust without obtaining the consent of all the beneficiaries.

(b) Except as provided in paragraph (c) hereof, beneficial ownership of securities solely as a settlor or beneficiary of a trust shall be exempt from the provisions of Section 1 where less than twenty per cent in market value of the securities having a readily ascertainable market value held by -such trust, determined as of the end of the preceding fiscal year of the trust, consists of equity securities with respect to which reports would otherwise be required.

Exemption is likewise accorded from Section 1 with respect to any obligation which would otherwise be imposed solely by reason of ownership as settlor or beneficiary of securities held in trust, where the ownership, acquisition, or disposition of such securities by the trust is made without prior approval by the settlor or beneficiary. No exemption pursuant to this subsection shall, however, be acquired or lost solely as a result of changes in the value

of the trust assets during any fiscal year or during any time when there is no transaction by the trust in the securities otherwise subject to the reporting requirements of Section 1.

(c) In the event that 10 per cent of any class of any equity security of an insurer is held in a trust, that trust and the trustees thereof as such shall be deemed a person required to file the reports specified in Section 1 of the Act.

(d) Not more than one report need be filed to report any holdings or with respect to any transaction in securities held by a trust, regardless of the number of officers, directors or ten per cent stockholders who are either trustees, settlors, or beneficiaries of a trust, provided that the report filed shall disclose the names of all trustees, settlors and beneficiaries who are officers, directors or ten per cent stockholders. A person having an interest only as a beneficiary of a trust shall not be required to file any such report so long as he relies in good faith upon an understanding that the trustee of such trust will file whatever reports might otherwise be required of such beneficiary.

(e) As used in this section the "immediate family" of a trustee means:

- (1) a son or daughter of the trustee, or a descendant of either,
- (2) a stepson or stepdaughter of the trustee,
- (3) the father or mother of the trustee, or an ancestor of either,
- (4) a stepfather or stepmother of the trustee,
- (5) a spouse of the trustee.

For the purpose of determining whether any of the foregoing relations exists, a legally adopted child of a person shall be considered a child of such person by blood.

(f) In determining, for the purposes of Section 1 of the Act, whether a person is the beneficial owner, directly or indirectly, of more than 10 per cent of any class of any equity security, the interest of such person in the remainder of a trust shall be excluded from the computation.

(g) No report shall be required by any person, whether or not otherwise subject to the requirement of filing reports under Section 1, with respect to his indirect interest in portfolio securities held by:

- (1) a pension or retirement plan holding securities of an insurer whose employees generally are the beneficiaries of the plan,
- (2) a business trust with over 25 beneficiaries.

(h) Nothing in this section shall be deemed to impose any duties or liabilities with respect to reporting any transaction or holding prior to its effective date.

§ 1-8. Exemption for small transactions

(a) Any acquisition of securities shall be exempt from Section 1 where

(1) The person effecting the acquisition does not within six months thereafter effect any disposition, otherwise than by way of gift, of securities of the same class, and

(2) The person effecting such acquisition does not participate in acquisitions or in dispositions of securities of the same class having a total market value in excess of \$3,000 for any six months' period during which the acquisition occurs.

(b) Any acquisition or disposition of securities by way of gift, where the total amount of such gifts does not exceed \$3,000 in market value for any six months' period, shall be exempt from Section 1 and may be excluded from the computations prescribed in paragraph (a) (2).

(c) Any person exempted by paragraph (a) or (b) of this section shall include in the first report filed by him after a transaction within the exemption a statement showing his acquisitions and dispositions for each six months' period or portion thereof which has elapsed since his last filing.

§ 1-9. Exemption from section 2 of the act of transactions which need not be reported under section 1

Any transaction which has been or shall be exempted from the requirements of Section 1 of the Act shall, insofar as it is otherwise subject to the provisions of Section 2, be likewise exempted from Section 2.

III. REGULATIONS UNDER SECTION 2 OF THE ACT

§ 2-1. Exemption from section 2 of certain transactions effected in connection with a distribution

(a) Any transaction of purchase and sale, or sale and purchase, of a security which is effected in connection with the distribution of a substantial block of securities shall be exempt from the provisions of Section 2 of the Act, to the

extent specified in this section as not comprehended within the purpose of said Section of the Act, upon the following conditions:

(1) The person effecting the transaction is engaged in the business of distributing securities and is participating in good faith, in the ordinary course of such business, in the distribution of such block of securities;

(2) The security involved in the transaction is (A) a part of such block of securities and is acquired by the person effecting the transaction, with a view to the distribution thereof, from the insurer or other person on whose behalf such securities are being distributed or from a person who is participating in good faith in the distribution of such block of securities or (B) a security purchased in good faith by or for the account of the person effecting the transaction for the purpose of stabilizing the market price of securities of the class being distributed or to cover an over-allotment or other short position created in connection with such distribution; and

(3) Other persons not within the purview of Section 2 of the Act are participating in the distribution of such block of securities on terms at least as favorable as those on which such person is participating and to an extent at least equal to the aggregate participation of all persons exempted from the provisions of Section 2 of the Act by this section. However, the performance of the functions of manager of a distributing group and the receipt of a bona fide payment for performing such functions shall not preclude an exemption which would otherwise be available under this section.

(b) The exemption of a transaction pursuant to this section with respect to the participation therein of one party thereto shall not render such transaction exempt with respect to participation of any other party therein unless such other party also meets the conditions of this section.

§ 2-2. Exemption from section 2 of acquisitions of shares of stock and stock options under certain stock bonus, stock option or similar plans

Any acquisition of shares of stock (other than stock acquired upon the exercise of an option, warrant or right) pursuant to a stock bonus, profit sharing, retirement, incentive, thrift, savings or similar plan, or any acquisition of a qualified or a restricted stock option pursuant to a qualified or a restricted stock option plan, or a stock option pursuant to an employee stock purchase plan, by a director or officer of an insurer issuing such stock or stock option shall be exempt from the operation of Section 2 of the Act if the plan meets the following conditions:

(a) The plan has been approved, directly or indirectly, (1) by the affirmative votes of the holders of a majority of the securities of such insurer present, or represented, and entitled to vote at a meeting duly held in accordance with the applicable laws of the State of Arkansas, or (2) by the written consent of the holders of a majority of the securities of such insurer entitled to vote: provided, however, that if such a vote or written consent was not solicited substantially in accordance with the proxy rules and regulations prescribed by the National Association of Insurance Commissioners, if any, in effect at the time of such vote or written consent, the insurer shall furnish in writing to the holders of record of the securities entitled to vote for the plan substantially the same information concerning the plan which would be required by any such rules and regulations so prescribed and in effect at the time such information is furnished, if proxies to be voted with respect to the approval or disapproval of the plan were then being solicited, on or prior to the date of the first annual meeting of security holders held subsequent to the later of (a) the date the Act first applies to such insurer, or (b) the acquisition of an equity security for which exemption is claimed. Such written information may be furnished by mail to the last known address of the security holders of record within 30 days prior to the date of mailing. Four copies of such written information shall be filed with, or mailed for filing to, the (Commissioner) not later than the date on which it is first sent or given to security holders of the insurer. For the purposes of this paragraph, the term "insurer" includes a predecessor corporation if the plan or obligations to participate thereunder were assumed by the insurer in connection with the succession.

(b) If the selection of any director or officer of the insurer to whom stock may be allocated or to whom qualified, restricted or employee stock purchase plan stock options may be granted pursuant to the plan, or the determination of the number of maximum number of shares of stock which may be allocated to any such director or officer or which may be covered by qualified, restricted or employee stock purchase plan stock options granted to any such director or officer, is subject to the discretion of any person, then such discretion shall be exercised only as follows:

(1) With respect to the participation of directors-

(a) by the board of directors of the insurer, a majority of which board and a majority of the directors acting in the matter are disinterested persons;

(b) by, or only in accordance with the recommendations of, a committee of three or more persons having full authority to act in the matter, all of the members of which committee are disinterested persons; or

(c) otherwise in accordance with the plan, if the (i) specifies the number or maximum number of shares of stock which directors may acquire or which may be subject to qualified, restricted or employee stock purchase plan stock options granted to directors and the terms upon which, and the times at which, or the periods within which, such stock may be acquired or such options may be acquired and exercised; or (ii) sets forth, by formula or otherwise, effective and determinable limitations with respect to the foregoing based upon earnings of the insurer, dividends paid, compensation received by participants, option prices, market value of shares, outstanding shares or percentages thereof outstanding from time to time, or similar factors.

(2) With respect to the participation of officers who are not directors-

(a) by the board of directors of the insurer or a committee of three or more directors; or

(b) by, or only in accordance with the recommendations of, a committee of three or more persons having full authority to act in the matter, all of the members of which committee are disinterested persons.

For the purposes of this paragraph, a director or committee member shall be deemed to be a disinterested person only if such person is not at the time such discretion is exercised eligible and has not at any time within one year prior thereto been eligible for selection as a person to whom stock may be allocated or to whom qualified, restricted or employee stock purchase plan stock options may be granted pursuant to the plan or any other plan of the insurer or any of its affiliates entitling the participants therein to acquire stock or qualified, restricted or employee stock purchase plan stock options of the insurer or any of its affiliates.

(3) The provisions of this paragraph shall not apply with respect to any option granted, or other equity security acquired, prior to the date that Sections 1, 2 and 3 of the Act first become applicable with respect to any class of equity securities of any insurer.

(c) As to each participant or as to all participants the plan effectively limits the aggregate dollar amount or the aggregate number of shares of stock which may be allocated, or which may be subject to qualified, restricted, or employee stock purchase plan stock options granted, pursuant to the plan. The limitations may be established on an annual basis, or for the duration of the plan, whether or not the plan has a fixed termination date; and may be determined either by fixed or maximum dollar amounts or fixed or maximum numbers of shares or by formulas based upon earnings of the insurer, dividends paid, compensation received by participants, option prices, market value of shares, outstanding shares or percentages thereof outstanding from time to time, or similar factors which will result in an effective and determinable limitation. Such limitations may be subject to any provisions for adjustment of the plan or of stock allocable or options outstanding thereunder to prevent dilution or enlargement of rights.

(d) Unless the context otherwise requires, all terms used in this section shall have the same meaning as in the Act or elsewhere in these regulations. In addition, the following definitions apply:

(1) The term "plan" includes any plan, whether or not set forth in any formal written document or documents and whether or not approved in its entirety at one time.

(2) The definitions of the terms "qualified stock option" and employee stock purchase plan" that are set forth in Sections 422 and 423 of the Internal Revenue Code of 1954, as amended, are to be applied to those terms where used in this section. The term "restricted stock option" as defined in Section 424(b) of the Internal Revenue Code of 1954, as amended, shall be applied to that term as used in this section, provided however, that for the purposes of this section an option which meets all of the conditions of that Section, other than the date of issuance shall be deemed to be a "restricted stock option".

(3) The term "exercise of an option, warrant or right" contained in the parenthetical clause of the first paragraph of this section shall not include (i) the making of any election to receive under any plan an award or compensation in the form of stock or credits therefor, provided that such election is made prior to the making of the award or prior to the fulfillment of all conditions to the receipt of the compensation, and provided further that such election is irrevocable until at least six (6) months after termination of employment; (ii) the subsequent crediting of such stock; (iii) the making of any election as to a time for delivery of such stock after termination of employment, provided that such election is made at least six (6) months prior to any such delivery; (iv) the fulfillment of any condition to the absolute right to receive such stock; or (v) the acceptance of certificates for shares of such stock.
